

Scott Hamilton CARES Foundation

Sk8 to Eliminate Cancer™ is the nationwide peer-to-peer fundraiser for the Scott Hamilton CARES Foundation. In partnership with U.S. Figure Skating as well as clubs and ice facilities, participants nationwide are signing up to make a difference. Countless individuals have been touched by cancer and it is our mission to Turn Cancer Upside Down™ together!

Join us for a 5K (about 35 laps around the rink) **at Reisterstown Sportsplex** hosted by The Worthington Valley Figure Skating club, Chesapeake Synchro and the Reisterstown Sportsplex **on November 9th, 2019 from 2-4pm**. All are welcome.

A portion of the net proceeds from this event will stay local and support The Children's National in DC.
